Missouri Firefighter and Police Terror-Free Investment Summit

Co-Hosted by Missouri Treasurer Sarah Steelman, The Missouri Police Chiefs Association, the Missouri Sheriff's Association, MO State Fire Marshal, and the Jefferson City Fire Department

Date: November 28, 2006

Time: 9:30 a.m. – 12:30p.m.

Location: Room 492, Truman State Office Building, Jefferson City, Missouri

Missouri is leading a nation-wide movement to rid investment portfolios of terror-tied holdings. Currently, millions of dollars in pension plans and other institutional investments are going to companies and countries that are known sponsors of terrorism – **including firefighter and police pension plans!!!**. There is a groundswell of urgency to make sure we are all doing all we can to make sure our money isn't funding our enemies and we want to provide all the information we can to your department.

This is truly a conference that you and your department cannot afford to miss. Please RSVP to Jane Dudeck, Chief of Staff for Missouri Treasurer Sarah Steelman at 573-751-4943 or email Jane.Dudeck@treasurer.mo.gov. Additionally, you are encouraged to bring your pension fund managers and any other investment personnel you would like to include.

We want to make sure Missouri Fire and Police Departments are at the forefront of this issue. We look forward to working with you on the 28th.
